<i>Leadership</i>	Peter Cheyne 208 9973	
<i>Meets</i>		
<i>General Description</i>	The Leadership Department has two aspects a. leadership teams - Elders, Department Leaders and Staff b. providing training for leaders at all levels	

The Department Leader's role is to lead the leadership teams well and to develop those leaders. Developing leaders within the other departments is primarily the role of the department leader although the Leadership Department Leader will provide training events for leaders at all levels.

### *Our Purpose:*

To lead so that, as a church, we do God's will and to develop other leaders who will do the same

### *Our Values:*

Christlikeness - leading like Jesus led and being people of consistently godly character

Servant leadership

Aiming for excellence in leadership

Continuous learning and skills development

Results - leadership that is not producing fruit is not leadership.

Developing other leaders

### *Our Vision:*
